LEZZIE CHEATER

After seeing Karen and Connie's layout in your last issue I had to write in and congratulate your staff on exposing a normally unknown form of infidelity that most men are not aware of – girls cheating with other girls! I know exactly how it feels to be cuckolded by a woman because my plumper wife, Cathy, has been having an affair with a co-worker named Michelle for the past three months!

I've suspected for awhile that my 200 lb., auburn-haired spouse had been getting her jollies from someone else; I just never guessed it would be a lezzie – at least not at first. Then I began to notice how much time Cathy and Michelle spent together, especially when I wasn't around. That's why last weekend I pretended that I had a bunch of errands to do and would be gone for several hours, hoping to catch them in the act. I parked several blocks down the street, waited for twenty minutes, and drove back home. Sure enough, there was Michelle's car sitting in our driveway. I was pissed! Sneaking inside, I crept upstairs and was shocked to find our bedroom door partially open! But my anger disappeared the instant I caught sight of those two naked chubbies writhing around on the bed in a passionate embrace!

While Michelle is not quite Cathy's size, and has short blonde hair, she's still pudgy enough to get raise my rooster, and ogling her mammoth milkbags, sloping

tummy, and bulbous backside while she swapped spit with Cathy did exactly that. I couldn't be mad at Cathy either; she looked so damn hot in another woman's arms that for a split second I felt like I was in a porn movie. Actually, I suppose I was in a way because those two fat dykes performed every sex act I'd ever seen in a triple X DVD! After nursing on each other's cherry pink nipples and fingering themselves into a frenzy, Michelle waddled down between Cathy's chunky spread thighs and ate her to a shuddering orgasm that left her so drained she could hardly get up enough strength to return the favor. By the time they swung into a torrid sixty-nine, I had hauled my ten-incher out into the open and was jacking away at top speed. It was the double-headed dildo ride that finally made me pop. I had no idea that Cathy even owned such a thing, let alone knew how to use it. And yet, there she was, groin to groin with Michelle, bucking her roly-poly hips like a seasoned Sappho as that long, latex snake seesawed in and out of their chaffing twats. I climaxed when they did, flew the coop, and spent the rest of the day in a bar getting drunk.

Now I don't know what to do. Should I forgive my wife, accept her bisexuality, and pray for a threesome, or keep my self-respect and kick her out? You guys seem to understand this stuff. How about giving me some advice?

SINNFUL ANGELICA

Man! You guys sure scored a hit with Angelica Sinn's pictorial in last month's issue. Not only is she fucking gorgeous, she can also express her portly sexuality in other ways. I'm talking about her story. I've been a fatty freak for most of my thirty-one years and I've always turned to your magazine to find the hottest porkers around, but to be truthful, I never read any of the text. My dick would start to grow the minute I spied the cover so I was always too preoccupied with jacking my johnson and ogling all those billowy curves to actually check out what the girls had to say. Well, Angelica certainly taught me a lesson.

The reason I went that extra step in the first place was because I was eager to find out more about her. I mean come on – what man wouldn't long to discover all the secrets that lay hidden behind those lovely layers of flab? Angelica's narrative was intoxicating. I'd never heard a woman, fat or thin, talk with such uninhibited candor before. And the best

part was how her descriptions lined up perfectly with the photos. I noticed that if I flipped the pages back and forth while I studied the words I could more easily imagine Angelica teasing me as she slowly stripped away her provocative clothing to shake her huge tits and large round ass in my face, and when she started fingering her puffy slice I took her up on her offer to get off at the same time and dumped my mulch on the bed sheets.

I don't mind admitting that I developed a bit of an obsession with Angelica. Listening to her speak to me through her words and actions became a nightly ritual until finally the urge to splatter my nut sauce across her phenomenal boobs, belly, and butt almost drove me mad. In order to preserve my copy of Plumpers (I save every issue) I bought another one, carefully cut out Angelica's section and spread the entire set out on my bed so that I could have an overview of her erotic performance. It worked like a charm. When Angelica suggested that we "get sticky together", I shot a pulpy jizz load that landed square on her beautiful face and floppy jugs. Of course, after about a week of this, poor Ms. Sinn's pictures were quite wrinkled. I may have to order a few more copies through your service just to use as back up.

In closing, I want your staff to know that from now on I'm not simply going to peek and whack; I intend to absorb every line your models put down – although I doubt that any of them will be able to jar my gonads the away Angelica did.

SALT-N-PEPPER DAWN

I'm writing a great big thank you letter to Danie, the buxom black babe featured in your last issue. Her article was responsible for my wife, Dawn fulfilling one of her wildest fantasies.

We too are proud African-Americans, and like Danie, Dawn is a 225 lb. sexual dynamo. She's pretty much done every nasty thing in the book except ride a white cock. I've often told her that if she wanted to screw a white guy it'd be okay with me, but she's always declined, claiming that it would be like cheating. Then I read Danie's story and proposed the idea of a threesome to my horny spouse.

"Awesome!" Dawn chirped, feverishly scanning Danie's narrative. "It wouldn't be infidelity if you were involved! And I know just the stud for the job!"

So did I. Dawn has been attracted to this dude I work with named Terry ever since they met a couple of months ago. He's in his twenties, single, and pale as a ghost. Luckily, he turned out to be a secret admirer of big woman and an avid reader of your raunchy mag, which made my proposal that much easier. The following evening Terry was perched on our living room sofa nervously sipping a beer while my horny honey prepared herself for our fuckfest. You can bet he stopped being shy when Dawn waltzed in bare-assed naked, planted her robust bod down beside him, and kissed him passionately on the lips! As I sat there silently watching my buddy glide his lily white paws over Dawn's large, chocolate breasts, gargantuan, tawny rump, and cushy brown thighs, I

couldn't help but get turned on myself. After Terry and I stripped to the buff, Dawn dropped to her dimpled knees and delivered a fantastic double BJ that brought us both to the brink, then laid herself out on the couch so that Terry could munch on her curly black muff while I drove my prick down her throat. The woman was insatiable! I'd never seen her act like such a whore! She came twice on Terry's fluttering tongue and still wanted more! Flipping the dazed dude over onto his back, Dawn straddled his ivory loins, and eagerly guided his massive pigsticker into her dripping cunt.

"Spread my asscheeks, baby," I heard her whisper to Terry as she lowered her enormous udders down across his flushed face.

Remembering what Danie had to say about DP action, I squatted behind my wife's elevated caboose, spit once into her shadowy crevice, and shoved my cock up her shitter. Dawn's ear-splitting howl of pure delight echoed throughout the house. She immediately threw her horrendous hindquarters into a violent rocking motion that quickly matched the rhythm of our pounding pricks and kept gyrating until the three of us achieved a thunderous, simultaneous triple orgasm! Dawn and I think that you people should start a sex therapy business for heavy women. Trust me - there'd be a lot more satisfied men out there if you did.

FLEXIBLE FATTY FUCKER

Checking out Briana's pictorial in your last issue made me recall my own awakening to the colossal wonders of extra large ladies.

It happened nearly a decade ago. I'd just gone through a messy divorce and at the age of thirty-two had pretty much sworn off women entirely when Tanya and her family moved into the house next door. Tanya was a 225 lb., 18-year-old blonde butterball with a vivacious personality and voluptuous figure who excelled at gymnastics in high school. I couldn't imagine someone her size being that nimble until I spied on her one day through the hedge that separated our properties while she was working out in her backyard.

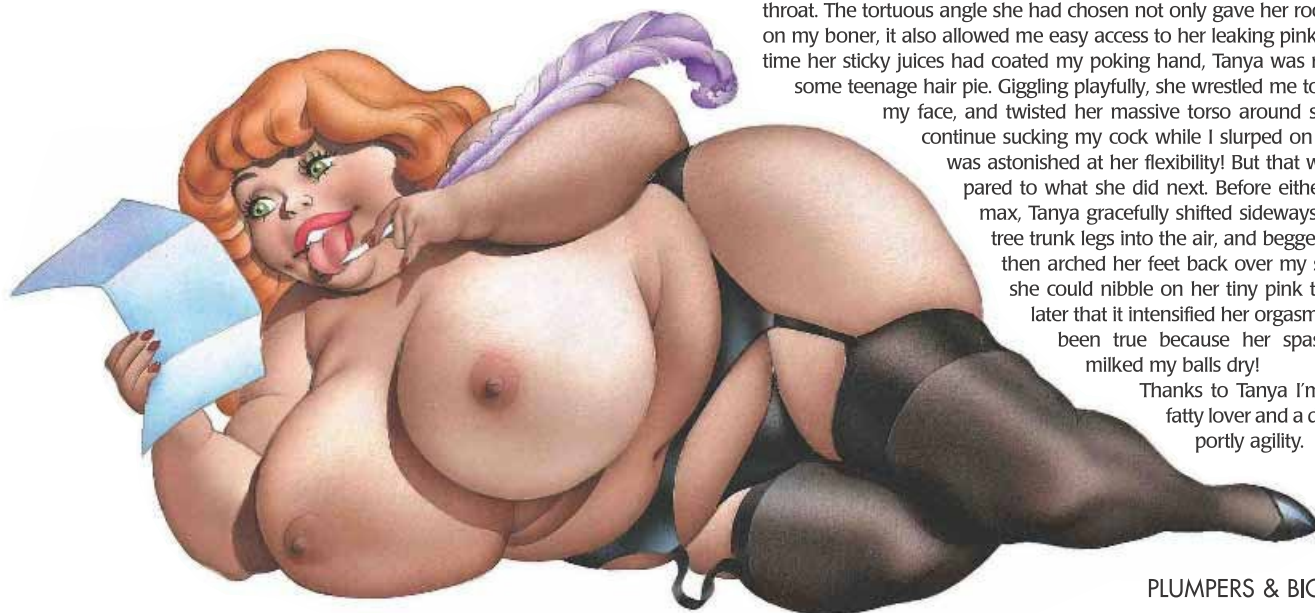

It was a warm, summer morning. I don't remember where her parents were. Tanya, wearing a sports bra that barely contained her enormous 40DD breasts and a pair of spandex shorts tight enough to accentuate every lump, roll, and bulge of her plump round ass, was bending and stretching in ways I never thought possible, and doing cartwheels from one end of the yard to the other with ease. It was amazing - and fucking hot, too! The longer I stared, the more aroused I became. Before I could scoot back to my side, Tanya spotted me. Grabbing a towel from a nearby tree limb, she sauntered over, and asked me what I thought of her routine, then invited me inside to look at some of her trophies. Since I didn't want to be rude, I agreed, assuming that she hadn't noticed my protruding crotch. Stupid me! The minute we stepped into the living room Tanya threw her arms around my neck and plastered her plush bod against mine.

"Know what, Mr. Martin?" she cooed. "My practice sessions always make me super horny!"

That's when I lost all control. Within a matter of seconds, we were both naked as jaybirds and Tanya was bent over at the waist greedily siphoning my swollen cock down her throat. The tortuous angle she had chosen not only gave her room to bob swiftly on my boner, it also allowed me easy access to her leaking pink pouch so by the time her sticky juices had coated my poking hand, Tanya was ready to feed me some teenage hair pie. Giggling playfully, she wrestled me to the floor, sat on my face, and twisted her massive torso around so that she could continue sucking my cock while I slurped on her pulpy hole. I was astonished at her flexibility! But that was nothing compared to what she did next. Before either of us could climax, Tanya gracefully shifted sideways, lifted her curvy, tree trunk legs into the air, and begged me to fuck her, then arched her feet back over my shoulders so that she could nibble on her tiny pink toes. She told me later that it intensified her orgasm. That must have been true because her spasming twat sure milked my balls dry!

Thanks to Tanya I'm now a certified fatty lover and a definite believer in portly agility.

BEST

Beth is 5'5" and 180 pounds of sexy exhibitionist! "I know guys love this body and I want to make guys happy. What the heck is wrong with that?" sasses the sultry Beth. "I was not given this body to keep it all to myself. I can hardly keep it contained, as it is, why should I try to hide it. Shoot, guys are going to undress me with their eyes anyway. Why not just give them something to think about when they are jerking off later? Better that it's my tits they are yanking their dicks too than some other skinny anorexic slut. At least my tits are real and soft and all mine, unlike those other bitches."

"My favorite thing to do is wear my low rise jeans or a real short loose skirt. That way when I bend over or otherwise "forget" guys can grab a peek at my little thong or even better my naked ass. Oh that just reminded me. This morning when I got some coffee and gave the counter guy a nice long look down my cleavage as I "fumbled" around I my purse. I could almost hear his cock get hard and when I made eye contact with him he just blushed a lot and moved his hand over his crotch. I knew I got him. That got me so ready to just go crazy on the set today."

I have to admit that I am always thinking about sex. It's almost a problem, because what would I do if I couldn't get some guys to give me their dicks? I'd have to resort to pleasuring myself all the time. Not that there is anything wrong with that, I just don't want to be THAT girl. You know the girl with the sticky fingers and the smile permanently etched on her face who is constantly running out to buy batteries for her mechanical lovers...God I'm such a sex junkie just uttering that sentence has made my pussy hungry."

Laying back and opening her thick thighs, Beth gives us a glimpse of her shiny wet pink hole. Her hard clit bursts out and screams for attention, this girl means business. Gathering her left tits in her hand and running the back of her other hand down her soft belly and in between her legs, Beth lets out a low soft moan and pushes her hand into her undies. Now obviously wet with her pussy juices, the zaftig sexpot's panties strain to keep her starving pussy from eating us whole. She puts her finger on the wet spot and motions for you to drop down and come take a taste...★

PLUMPERS & BIG WOMEN 23

ELISE

& NICK

“You know how when you meet somebody, the first time, at a party, or as bar, and he looks at you and you look at him, and something inside you, like your pussy, starts throbbing, and this sexy little voice in your head tells you

that you are going to end up with this guy's dick down your throat, or better yet, buried deep between your legs? You ever get that feeling?” Elise, a luscious, libidinous plumper from Philadelphia with a pretty smile and sex drive as big as her tits, smiles as she waits for her boyfriend Nik in the coffee shop near her home in Philadelphia. “I just knew I was going to fuck the shit out of Nick the moment I laid eyes on him. He was so cute! I was bringing him a big juicy prime rib at the steak joint I work at,” this well rounded brunette told us, and I leaned all the way over the table to get him the ketchup, but really so he could get a good look at these,” she laughed, squeezing her massive mams together and licking her lips provocatively.

Of course,” she giggles “He couldn't miss them cause I was wearing that half moon push up thing that practically pings my melons across the room! I thought his eyes were going to fall out! He stared at my boobies like a starving man crashing a Texas barbecue! And hey I thought he was fucking hot too, especially when he got up to go to the men's room, and I got a load of his package, you know, the one between his legs.”

He ate real slow and stuck around after work. We made some small talk but I really had the hots for him. I couldn't help myself. I took him back to a booth and sucked his cock. It was so hard, and it felt so good in my mouth. I made him cum twice; his balls are really big and fill up fast with cum, then we headed back to my place for a wild night of fucking and sucking.

We've been together ever since – Nick moved in last month, but the fucking is just as fresh as the night we hooked up.

I'd say Nick's best quality is how much he appreciates my tits. That really isn't the word – he worships them! I love when he licks and sucks on my big nipples, it drives me crazy.

Nick knows my jugs are all his. He can unload all that cum in his big balls on them anytime, and I'm happy to lick his warm goo off my tits, while he fucks my happy brains out! ★

MONICA

each other in sloppy kisses and roaming hands. He touched my hard nipples with the tip of his tongue and sucked as much of tit into his mouth as possible. I fumbled down to his pants and pulled open his jeans. Grabbing his stiffening cock in my hands I got on my knees in front of him and polished his knob with my flicking tongue and moist mouth. Turning red he grunted in appreciation as I deep throat his hard tool. Sloppy with my spit he had me get on all fours as he yanked my panties to one side and slipped his dick into my hole until he was balls deep. He pumped me for what felt like hours as I came all over his cock and balls. "I wanna taste it," I moaned when he said he was going to cum. Swinging around I opened my mouth wide and he stuck his cock down my throat and popped his goo down my gullet. I swallowed his entire load and smiled at the young tailor. We finished up with the fitting and ended up fucking on a regular basis for the next few months, until I met a really sexy copy. But that's another story...★

The 5'6" 250 pound, 42DD-32-48 beauty is no stranger to getting freaky. When she's not spreading her pink for the horny readers of Plumpers magazine she picks up a pen and writes down all of her scandalous thoughts. "Living as an erotic fiction writer lands me in some crazy places. But it's all in pursuit of my art; at least that's how I explain my freakiness to my many boyfriends. Some guys cannot deal with a big girl who owns her sexuality in such a brash manner that I do. One time I was writing about a dress maker who gets randy with his customers. That actually came from an experience I had getting fitted for a friend's wedding. The dressmaker's assistant was a cute younger guy who let me know right away that he was in to bigger babes. The way his eyes devoured me made me soaking wet in my little panties. I was almost embarrassed by the stiffness of my nipples and the wet scent of my pussy as I disrobed and let him take my measurements. When he cupped my breasts from behind and ran the measuring tape around my bust line I nearly melted into his hands. A little moan escaped my lips and I pushed my big ass into his crotch. Smiling into the mirror I let him know it was no accident that I was grinding his cock and he took the bait immediately. The two of us smothered

Some Simple Man-Moves that Women Can't Resist Ways to Go the Extra Mile and be unforgettable!

21582

Ok, in today's environment you poor guys never know for certain if holding a door open for a woman will yield a friendly look of appreciation or a mildly annoyed eye roll with accompanying sigh. I'm the first to admit that it's not always an easy call. The fair sex can indeed be fickle and hard to read. You're just going to have to trust me here. Most chicks—even ones with high-powered jobs or lofty titles still love it when you treat them like a lady. Let me qualify that statement by saying that any woman worth knowing will love it if you treat them with a sense of respect and deference. No woman worth pursuing will be bothered because you did the gentlemanly thing. The vast majority of women appreciate their men swooping in and saving the day, so to speak. If a woman is miffed because you pulled out her chair or offered to hold the door, I suggest you run quickly in the opposite direction. It's better if you altogether avoid this obvious "ball buster" and find a woman who can graciously accept basic social kindness without feeling challenged. Like a great male friend of mine said about such a woman, "She may be cute, but nobody is that cute." So now that we know my feelings on that subject, let me go on to say I can give you a few moves that no woman will fail to notice. I also promise they won't get you into any trouble with even the most self-reliant female!

Check on Us...

If a woman felt comfortable enough to visit your apartment or be with you into the wee hours, it's apparent you had a link of some sort or another. If she is driving home from your place and it's late, call to make sure she got there safely. Better yet, tell her no matter what the time, you would like her to call and let you know she arrived without a hitch. Not only is this a gentlemanly thing to do, it tells her that you are thinking about something other than yourself and that she is cared about and held in high regard. Expressing concern for her welfare is not a marriage proposal, it simply sets you apart from the majority of men that would never think to do even such an uncomplicated thing to make a woman feel respected. In the event that this woman is indeed someone with whom you had a real connection and would like to know better, this simple act will speak volumes about what kind of man you are. If she shared that she had an important meeting or milestone at work the next day, email her or phone to ask how it went.

No matter how independent and forward thinking a woman might be, she still loves it when a man looks out for her. I hear from lots of women that self absorbed behavior and a "me" attitude does more to kill a budding romance than anything else. We assume if it's all about you at dinner, it's unlikely you're going to be worth much in the sheets. So, you've been given a heads up!

Help with the Hassles...

Yes, I'm perfectly capable and smart enough to know how to change the oil in my car. I can certainly take out the trash and fix the chain on my bike. But this isn't just about knowing how to do something.

22003

When you offer to handle things that you know she simply can't stand doing (ok, so I can do it but it ruins my manicure) you get major brownie points that can be cashed in later. Dealing with something that isn't particularly fun for either of you shows that you are totally tuned into her and that you can be counted on; both of which are manly traits that spell "keeper." As a woman, I can tell you that when my day is hectic and I have a million things to do, nothing spells foreplay like my man loading the dryer or walking the dog. Admittedly it doesn't sound as romantic as rose petals on the bed, but it also requires more effort than

21516

22005

tossing petals and we know it. Let me point out here that what I call "gratitude" sex is pretty darned good. My man did some of the heavy lifting so I had time to take a bath. I'm going to repay him in currency I know he will truly appreciate. I think you get the idea. Great sex starts long before you turn out the lights. Do something that helps a woman with the headaches of the day and you will be rewarded. I promise. This is true whether you are newly dating or been with someone for years. Women appreciate you being there when they need you. This also applies to being a hero in the eyes of people close to her. Step in and help her mom program the VCR or help her little brother fix his skateboard. Women get this soft and squishy feeling when other people talk about how great you are! It's easier to be her hero than you may have thought. Again, think reward.

Take Charge...

Feel like going out to eat? Thinking of going to a movie? Here is some great advice on the subject. Instead of wasting half an hour discussing where to go, what movie to see, simply take control of the situation and make the freakin' reservation already. It may seem ungrateful, but nothing annoys the ladies more than you saying, "Why don't you make the arrangements and we'll go out tonight." Do those arrangements mean we have to call the restaurant, call the theater for show times and then call the sitter if necessary? It may seem like a simple enough thing to do to be blessed with your presence and an evening out, but listen up already. Think if just once in awhile you simply say, "Tonight we're going on a date. I'll take care of everything. You

just get beautiful by eight o'clock!" I can't even tell you how amazing a woman feels when a man just goes that extra step every now and then. Think of it this way. Early in a relationship, when you are trying to impress and win over a woman you don't expect her to do the preliminary work, do you? No, you swoop in like a knight in armor and whisk her off to dinner and plan an evening of seduction on her behalf. If she appreciated it then, trust that nothing has changed. Again, this is all about you being memorable. Nothing guarantees sexual bliss more than a happy partner. Be full of surprises and court your sweetheart. Romance never goes out of style.

Have some Just for Her Sex

I don't need to tell you guys that nothing says happiness better than toe curling, mind-blowing sexual release. Unfortunately, as much as I hate to admit it, women are often so caught up in assuring that sex is great for you that we sometimes get shortchanged in the process. Yes, sex always feels good and yes we do enjoy sex, but there is sex and then there is s-e-x. Women are capable of intense, prolonged and even multiple orgasms. In spite of all this orgasmic possibility, the fact is that most women don't have a climax during every sexual encounter. While we are caught up trying to please you, we have a hard time relaxing and just going with the pleasure of the moment. How about once

in a while you just whisper to your lover, "You always do so much to give me pleasure, tonight I'd like to make it all about you." This means that you will have to put your satisfaction on hold and not head for the goodies right away. Take the time to kiss and fondle your partner. Nibble on her earlobes, kiss her neck, and slowly caress her belly and legs. Ask her to take your hand and show you how and where she wants to be touched. If she is one of the vast majority of women that climax effortlessly from oral sex, offer to perform without expecting anything in return. Truly make it all about her and encourage her to concentrate only on feeling good. Next time, she will reciprocate your generosity with renewed enthusiasm. Men assume that sex will always result in a satisfying climax. For a woman it's far more complicated and trust that we don't take generous lovers for granted.

Phenomenal lovers come in all shapes and sizes. They all have different techniques, sexual preferences and repertoires. The one thing they all have in common is the ability to make a woman feel exceptional...to make a woman feel cared for. Yes, it really is as simple as it sounds.

Hugs,

Chloe

“I have to admit it,” says cute, extra curvy, extra sexy Emma, “I am really one terrible, terrible cocktease. A guy who wants to get into my pants has to put up with a lot; because I love to drive men crazy! Like, I’ll meet up with someone at a bar, or a party, or a nightclub, and maybe we’ll make out in an elevator or a taxi and maybe I’ll let him cop a feel – my big soft tits or my meaty ass! And of course, he figures he’s going to spend the rest of the evening pounding away at my tight snatch – but not so fast, there pallie! Sure, we’ll head back to my place, and I’ll put on some perfume and sexy lingerie and maybe make out with him some more, for awhile, until he has and he’s squirming with a big boner in his pants, and his nuts are aching; but then that old tease thing comes out in me, and I’ll cut it off, and just stop, and make him sit down, panting, in a chair, or have him lie back on the bed, and make himself comfortable, so he can watch me put on a little sex show for his viewing – but definitely NOT his touching – pleasure! Hell, I’ll play with my pussy and squeeze my tits, and turn over and show off my big, beautiful bottom, and finger myself down there. And maybe I just might fool around with my favorite dildo, while my poor date has to watch me, getting stiffer and stiffer, while I get myself off. I really love to work my own

pussy and I yell and scream and claw the sheets when I come. Hell, I won’t even let the poor guy touch himself; at least for the first two hours or so! But you know, even a cockteaser like me has a heart,” smiles Emma, “and if my date says pretty please to me, and promises me a steak dinner or a Broadway show, well, then maybe... just maybe...he’ll get a taste of my dripping wet pussy, or find his big cock beating against my lips! And if that turns me on, then this lucky guy may get the ultimate gift: a visit deep inside my tight, wet pussy, and if that can’t get him off – well then he’ll just have to blow his big load in my eager little mouth!” Ah, Emma – you’re a large, living large lady – and a titanic teaser! ★

ONE OF TANK'S FEVERED PASSIONS, WHICH RANKS JUST BELOW SUCKING A QUART OF MANSPLUNK FROM A DOZEN OVER-SIZED HAPPYHOSES, IS HER PASSION FOR AMATEUR MAGIC. WHEN A CONTEST FOR TOP AMATEUR MAGICIAN OF THE TRI-STATE AREA, TANK CONSIDERED IT HER CHANCE FOR RECOGNITION IN THE VENUE SHE LOVED.

GUADALUPE AND VILMA ARE TANK'S BIGGEST FANS AND CHEERLEADERS. THEY LOVE TO WATCH TANK REHEARSE AND ARE HER ENTHUSIASTIC DEVOTEES. IN THEIR OPINION TANK'S ACT IS FOUR SQUARE.

AND FOR THE FINALE I PUT THE RED BALL IN MY MOUTH AND PRETEND TO SWALLOW...THE CROWD HOLDS ITS BREATH

THEN WITH A LITTLE STRAINING, ALL EYES ARE ON MY TWAT...

OMAGOD! DID YOU SEE THAT? THAT IS ABSOLUTELY ASTOUNDING!

JU GOT THE VERY BEST MAGIC ACT I'VE EVER SEEN, SWEETY!

YOU'RE BOUND TO WIN!

POP

DOINK

OH, I HOPE SO... I'VE WORKED REALLY HARD ON THIS ACT.

YOU NEED TO RELAX, HON... YOU'RE ALL TENSE. DON'T WORRY ABOUT TOMORROW, YOU'LL KNOCK THEIR SOCKS OFF.

AND RELAX THEY DID...IN THE WAY THEY ALWAYS DO. TANK WAS AS READY AS SHE EVER WOULD BE. IT FELT LIKE THE NIGHT BEFORE FINALS. BUT THIS TIME SHE HAD STUDIED AND WAS ACTUALLY PREPARED! SHE COULD FEEL THAT SHINY BRONZE TROPHY IN HER MUCH DESERVING, CHUBBY LITTLE FINGERS.

TANK WAS THE LAST NAME ON THE ROSTER. IT WOULD BE A LONG NAIL-BITING SESSION UNTIL HER TURN. SHE FEARED SHE WOULD BE A NERVOUS WRECK BY THE TIME SHE WAS EXPECTED TO PERFORM.

LOOK AT MY HANDS SHAKING, I DON'T KNOW IF I CAN GO ON!

SURE YOU CAN, SWEETY! YOU'RE BETTER THAN ANY OF THESE HACKS! THINK POSITIVE!

BUT TANK'S INSPIRATION OF GOING BLUE AS HER FORTE FAILED THAT EVENING. IT SEEMED EVERYONE WAS DOING IT.

THERE WERE NAKED BOX SEPERATIONS ...

PULLING A RABBIT OUT OF ONE'S TWAT!

WELL DONE!

MARVELOUS!

MAKING COCKS DISAPPEAR WAS A RECURRING THEME.

WONDERFUL WAND!

SHE'S GOOD! REALLY GOOD!

PULL YOURSELF TOGETHER, TANK! YOU MAKE COCKS DISAPPEAR EVERY DAY! SHE'S GOT NOTHIN' ON YOU!

THERE WAS EVEN A 600 LB EXAMPLE OF FEMALE PORK-UCIOUSNESS IN A 300LB BOX ...

COME ON GUADALUPE... WE HAVE TO DO SOMETHING!

WHAT'S YOUR PLAN, VILMA?

DISTRACT THE JUDGES BY FUCKING THEIR BRAINS OUT WHILE AT THE SAME TIME SUBLIMINALLY TALKING UP TANK'S TALENT.

IT'S WORKED BEFORE

YES, IT HAS WORKED MANY TIMES BEFORE. GUADALUPE AND VILMA POURED ON THE CHARM. THE JUDGES MELTED AT THE PROVOCATIVE DISPLAYS OF OUR PUDGY PRINCESSES. HOLY SHIT, THEY'S GOOD COOZE.

OH MY!

LORD HELP ME I'M MELTING AT THIS PROVOCATIVE DISPLAY.

DITTO.

TANK WAS UP NEXT, BUT COLOR DRAINED FROM VILMA AND GUADALUPE'S FACES AS THE CURRENT ENTERTAINER CLOSED WITH TANK'S SIGNATURE ILLUSION!

OH, NO! NOBODY EVER REMEMBERS THE SECOND PERFORMER TO DO A TRICK!

IT DID NOT LOOK GOOD FOR TANK.

TANK CAME OUT AND DID HER ACT LIKE A PRO. VILMA AND GUADALUPE HAD TO GIVE HER HER PROPS, TOO BAD THE PREVIOUS ACT HAD STOLEN HER THUNDER. THEN, FINALLY, THE CLIMAX TO HER PRESTIDIGITATIONAL DISPLAY.

POOR TANK... AND SHE WANTED TO WIN SO BADLY.

BUT WAIT...

GASP!

HOLY CRAP! ASTOUNDING!

This hot Hispanic porker came to us looking to live out a fantasy. "I get wet for cops. Call me a cop fucker, I don't care. The boys in blue just do something to my cooch that makes me want to just lay back and do whatever the nice officer tells me to do" coos the 34 year-old 200 pounder. The curly haired blonde is unafraid to show her appreciation for the local flatfoots. "I never wear panties when I go out driving. That's just in case I get "caught" speeding and some lucky copper will get a glimpse of my slick pink pussy. Last month I got pulled over three times and never got a ticket. Thanks to my low cut top and pantyless pussy. The local cops know my license plate by heart, and now I get pulled over whenever one of my public servants need a little service. I really shouldn't say this, but my favorite cop makes visits to my house whenever he's off shift. It's so exciting to have a cop banging on my door, and knowing that I'm gonna get some serious "stick time" on his lap. God I'm such a slut sometimes. Those cops just get in my head...and my bed. Last week my favorite policeman dropped by after working an overnight shift. My pussy's sixth sense told me to be ready for an early morning visitor. I woke up early showered and shaved all the air off my pussy. I know my guy likes to eat a tasty sweet cookie that's devoid of hair." Flopping onto my bed in just a towel, I spread my thighs and slowly touched my wet body all over the place anticipating the rough hands of my cop lover roaming into all my hot spots. Reaching under the bed, I pulled out my battery-operated fuckstick and just as I was about to snap it on, my doorbell rang,

followed by a series of short hard knocks. That's my lover's signal. I didn't even bother to put my towel back on, I rushed to the door completely naked and wet. As my hand touched the doorknob, he flung open the door and saw me in all my horny naked glory. I stepped back, smiled a dirty smile and lifted my left tit to my lips and gave my nipple a lick. Grinning back he closed the door behind him and before I knew it, he was on top of me on the floor of my front hallway. Still in his uniform he looked so hot and I begged him to just remove his pants but keep his shirt on. We fucked like never before and I must have come so many times that the hours (yes hours) just melted away. He kept his shirt on the whole time and he even gave it me afterwards as a memento of our intense encounter. What can I say I love to blow my boys in blue. ★

STELLA HUNTER'S EROGENOUS ZONE!

**"Some Pickup Tips
that Really Do Work"**
**"You Can't Hit a Home Run
Unless you Get to Bat!"**

Hey PBW Lover! First of all I want you to know that I fully acknowledge how hitting on an adorable chubby can be downright daunting. On the other hand, however difficult a job it may be, someone has to make that first move to get the love juices flowing. In the human species, for now at least (trust that the girls are trying to move evolution along), the male has been given the task of primary aggressor. So, like it or not, if you plan to score, you have to know how to get in the game. No pressure or anything, but you do know that the impression you make in that first sixty seconds or so can be a deal breaker, right? So, what do you say? How do you act? What can you do to tip the odds in your favor? What separates the players from the spectators, the men from the boys, as it were? Working up the nerve to approach a stranger, I leave to you testosterone driven Lotharios. Coming up with some pickup approaches that really will pique her interest? That I can handle!

Making Contact

I can't say enough for eye contact. Here is something you may not be aware of. Women hate it when you sneak up on them. Never, ever approach a woman from behind and hit on her. Not only does it make you appear underhanded and sly, but it makes us wonder why you avoided the head-on scrutiny. It's also better to approach her face to face so she can size you up while you come toward her. In simple language, want to see you coming. With fair warning she can bail if she needs to and if she isn't interested, you can save face. If you've registered on the radar, and you get a receptive look, just meet her gaze and say hello. Please lose the pathetic opening lines. Women read right through them and trust that no matter how clever you think your come-on might be, we won't be interested. A simple, "Hi, how are you?" or "Hello, nice to meet you" is all that's needed to launch the possibilities. I know it doesn't seem all that cre-

23492

ative, but it beats coming across like a complete fool. If a guy asks what my "sign" is, I'm out of there! The genuine you is always better than the contrived one. Remember to smile, and look into her eyes. Alpha males aren't afraid of eye contact and we all know they are the ones that get the goodies.

Don't go Overboard

If you worked up the nerve to approach her in the first place, it must be because you found her eye-catching and interesting. Trust me, she knows it. There is nothing to be gained by mentioning again and again how beautiful or stunning she is or how much she reminds you of "whomever". Don't repeat words like "Wow" or "Hot". Rather than be flattered she will assume that the only thing you like is her looks or that you are limited to one syllable words. Not to mention that the gushing and fawning can make you appear desperate and insecure, neither of which top the desirable male traits list. Sure women like to be complimented. They like to know that you find them attractive and that their efforts are appreciated, but beware of laying it on too thick. Saying too much, comes across as over eager and at some point may even seem insincere. A great smile and one "You look smoking" or "nice smile" will do the trick. If she responds, move on to more interesting conversation. Which brings us to the next topic:

Ask the Important Questions

Of course you want this great new babe to know all about you. The latest chick magazine has gone to great lengths to drum into our heads how you guys want to talk about themselves and delight us ladies with the fine details of your hobbies and habits. Truth? Save your resume for your

next job interview. Hearing you drone on and on about yourself can be a bit annoying and can even making you seem a bit, well...arrogant and self absorbed. Instead, how about asking questions about where she works, what she does, how she likes to spend her free time. What sort of movies does she like or what music does she listen to. Asking these types of questions can not only open up dialogue on many subjects that you may have in common, but can also show that you are genuinely interested in getting to know more about her. Asking questions that require answers other than yes or no, also tells you how this person relates to others and how she views herself. Is she confident? Is she open and straightforward? Does she have a sense of humor and the ability to just kick back and have a good time?

Learning who she is not only opens the door to possible relationships, but also tells you if she is receptive to intimacy and worth getting to know better. If she asks about you, by all means be forthcoming and let her learn a little about who you are, but keep it simple and make it more about her. Look at it this way: A woman assumes that if you listen to what she has to say during a casual encounter, you are more likely to listen to what she needs under the sheets. You do the math!

Avoid the "X" Rating

Flirting is a good thing. A woman expects a certain amount of playful behavior and conversation, but be careful not to cross the line. It is quite simply inappropriate to engage in explicit language or talk about sex with a woman you hardly know. Nix the four letter words and sexual innuendo. Once you have offended her

or she has written you off as a boorish horn-dog, you won't get another chance. Even if she secretly likes horn-dogs, she will expect to be treated with consideration in public and won't appreciate being disrespected. There is nothing sexy about public vulgarity, and if you do decide to whisper "sweet nothings" in her ear keep them funny and playful. Comment on how much you like that shirt on her, but avoid mentioning that what you like is how you can check out her cleavage and that you can see nipples through the fabric. She already knows that. Why else do you think she wore it? Do you think she needs you to comment on the obvious? Calling attention to it makes you look immature and makes her feel conspicuous. Sure, mention that you owe a debt of gratitude to the person that designed her skirt, but forego the urge to

mention that when she moves her leg to get off the stool you get a glimpse of pink, plump thigh and white satin covered crotch. Instead, look away and then into her eyes and give her an ear-to-ear smile that will say it all. Keep it fun, and keep it clean. That having been said, if she initiates talking dirty into the conversation, go ahead and play along, but under no circumstances go XXX. Even naughty girls are attracted to shy guys. Trust me! Often the guy that says the least is the one that leaves with the hottest chick.

Shoot to Score

Ok you've been charming, you think you've both hit it off and you know you want to see more of her. Now what? You need to get her number, of course! You don't want to be pushy but you also don't want to appear too timid or inhibited. My advice is to keep it light. Find out if she would like to catch a movie or have dinner with you sometime. If she says yes, then ask for the contact information. Want to appear very considerate and respectful? Ask her when would be the best time to call. Then, set up a specific call time. "Great I'll give you a call Wednesday evening and we'll set something up." She will expect you to call so don't drop the ball. If you absolutely can't call when you said you would, call as soon as you can and make sure you have one heck of a good

excuse. Explaining what you would like to do, i.e. dinner, etc, setting a time to call and then doing it will make you

and keep your web-surfing skills to yourself.

Meeting and hooking up with the plumper of your dreams isn't rocket science, but it does take a little bit of skill and finesse. Women love men with a sense of humor and the ability to roll with the punches. I can pass along the tricks that get you off on the right foot, but the rest is up to you. Try it my way and let me know how things worked out. Nothing would make me happier than hearing how well you made out!!

Till next time...

BIG-UM-FAT BLACK FREAKS 3

Heat Index: XXXX

STARRING: Chocolate Nights, Choclick Ty, Mz. Buttaworth, Sasha Bra Buster, Talicious

DIRECTED BY: None Credited

AVAILABLE FROM: Evasive Angles

RUNNING TIME: 157 Minutes

Talicious is one big bitch! Top to tails this mocha colored chub has that ho next door quality to her. The kind of girl you can take out and

Rock immediately turns his attention to her soft bouncy tits and sucks her hard nipples for all he is worth. Busting out the lotion Rock greases up her large backside and pumps his prick down her eager throat. They fuck like a bunch of rabbits and he throws a web of spunk into her open mouth. Nice opening scene! Mz.

Buttaworth is sporting a sexy see thru blue nightie as she begins to seduce Nathan Threat. Ass for days wouldn't begin to describe Buttaworth's amazing asset. Her hanging giant boobs get some attention before he mercilessly pummels her throat with his engorged cock. Going low, Nathan spreads her thick thighs open and eats her

pussy with mucho gusto. Propping her big ass in the air, Threat pounds her from behind with the hard slapping of hips against each other supplying the background rhythm. A thick but small cumshot is flung into her open mouth and trickles down her

nose.

Sasha Brabuster lives up to her nickname and shows off her chest monkeys to an eager Jay Strokes as they relax in a huge hot tub. There's lots of tit action, from face covering to licking, her proud tits are given a lot of love. Sasha is damn cute and makes some sexy sounds as Jay royally fucks her.

In the penultimate scene, some dude in an empty room plows Choclick Ty. Choclick

23304

ride real hard then drop her off with her friends and no one has to be the wiser. Rock knows the drill and gives the hard dick to this cock loving plumper like there's no tomorrow.

loves showing off her round figure and really gets into the foreplay with her hard friend. The big titted chick isn't the best looking one of the bunch but she more than makes up for it in athletic ability.

Dig the positions they get in to as they hump each other stupid.

Chocolate Nights rocks the Rock in the final scene. The big beautiful lady is the largest of the bunch and her red teddy can barely contain her womanly curves. You can almost smell her pussy through the television screen. This chick is SEX and knows how to use every pound in her frame to achieve the ultimate levels of pleasure. This is one fantastic finale to an already great freaky feature. – Harold Zoid

THICK AND JUICY BBW

Heat Index: XXXX

STARRING: Cozy, Crystal Clear, Eleanora, Miss Alottitts, Nanda, Wesley Pipes, Wesley Nike, Rock

DIRECTED BY: Lee G.
AVAILABLE FROM: West Coast Productions
RUNNING TIME: 120 Minutes

Nanda kicks things off with an in-progress blowjob. She's wearing a sexy bikini bottom and her big ass shakes as she gobbles his knob. Nanda isn't that big, but she does have some killer curves and an amazing shelf ass. Turning around she presents her pussy for some doggie style screwing. After some hard banging they move into some more positions and Nanda keeps groaning for more. This is an excellent opening scene.

Cozy plays with her enormous breasts as she rubs her oil covered body all over. Opening her mouth she tries to take all of her guys' cock down her gullet. But it's way too big for

her to get even a quarter of it down her throat. The rest of the scene is real fucking hot.

Alottitts is a big piece of healthy dark chocolate. On all fours on a bed she sucks some guy off while only wearing a miniscule g-string. Alottitts throats his cock and her big tits sway back and forth. Her guy fucks her face and she keeps her lips wrapped around his cock as bobs up and down like a buoy. Before she mounts him in the cowgirl position she sucks on his nuts. Keeping her panties on she grinds her cunt up and down his cock and fucks him deep into the mattress. Seeing her bountiful booty bounce is hypnotic, don't get lost watching her fuck. He mounts her from behind and grips her hips as he pounds her pussy. Once in missionary, Alottitts swings her ankles into the sky and gets drilled

deep and hard. Once more on her knees she holds on to the bedposts as he blasts her in the mouth with goo.

Crystal Clear works her pussy over with an electric pink vibrator. Her pussy is shining with oil as she fucks herself and rubs her big tits. Crystal really gets into her self loving, buzzing her twat like she's dying for dick. Lucky for her in comes her stunt cock. But before eh introduces his dick, he licks her shaved pussy clean. Crystal remains on her back for the first plunging of cock. Check out the look on her face, Crystal is really turned on the entire scene. Her moans alone will make you pop some spunk all over your fist. Save your load until she gets on top and fucks him with wild abandon. Dig the creampie ending, it's fucking hot! –Neville Jones

ELIZABETH

We here at Plumpers love Elizabeth. The 5'6" cock loving chubby cutie is our favorite kind of plump slut. Showing no signs of slowing down, this is Elizabeth's second appearance in our pages. Last time out she let us know that she is game for anything. You want to take your dick out and fuck Elizabeth? She'll let you put it anywhere. "So many guys read that last issue I was in," blushes the almost thirty plumpette. "I've never been a shy girl, far from it, but the amount of response I got was overwhelming! All sorts of perverts and fun loving guys sought me out and found me

in my everyday life. I love meeting my fans! One guy saw me out shopping for panties and offered to pay for it all if I would just model some things in private for him. I looked him over and my creep radar didn't go off so quickly agreed and purchased almost five hundred dollars worth of lingerie.

"I went back to his place with him and told him to take a seat on a couch. In the middle of the room I did a slow strip tease and encouraged him to play with himself as I did so. I only warned him that once he popped, I would leave. His eyes widened as he smiled and undid his pants. I barely managed to peel off my little top when he started jerking off.

Swaying to some music I bent over and put my big butt in his face and straddled his chin with my now moist pussy. Sticking out his tongue he poked me in my puss with his outstretched appendage. I squealed a little and pulled on a little g-string thong that barely covered my pussy.

Dancing around I put my big boobs in his face as his hand continued to work up and down his shaft. Leaning in to him I plopped my tits on his face as he closed his eyes in ecstasy. Knocking him in the face with my hard nipples made me crazy in lust. Here I was wearing only a little pair of panties dancing and showing off my mostly naked body to some stranger who was jerking off in his won living room. I felt like such a real porn star.

I decided to embrace the role and got on my knees in front of him. Blowing hot air out of my mouth I put my face in his crotch and opened my lips. Taking his rock hard dick in my mouth I slowly bobbed my wet mouth up and down his hard shaft. Licking his prick like a lollipop I encircled his shaft with my tongue until I got down to his heaving balls. Sucking on his testicles made him groan in appreciation and he begged me to let him cum all over my big tits. My panties got flooded with my juices and I looked into his eyes as he jacked off and came all over my big soft tits.

Before I got dressed I pulled off the little wet g-string and left it on his couch. I figured he deserved a little something to remember me by. 🍌
